

## **Darryl & Clare Mallet**

### **Lead Pastor**

Darryl is the Pastor of The King's Centre and is married to Clare. Together they lead the overall vision of The King's Centre and are based at King's Centre Central.

They are involved in various areas of church life and their mutual love for worship sees them both involved in our worship team. Darryl is involved with regular preaching and teaching, as well as heading up the men's ministry and being a Trustee. Clare works in the church office, as well as being part of the youth leadership team and the Flourish ladies' ministry team. Together they are passionate about local church and carry a vision to build Spirit-filled, relational, all-age family churches.

Outside of church, Darryl loves his football. Clare loves walking and if it includes a picnic, even better! They have three children with whom they share a mutual love for pizza and family movie nights.
