

Sharing our Faith

We seek to fulfil Jesus' Great Commission in reaching out with the Good News of the Gospel to those around us, as individuals through our personal witness, and together as a church.

Discipleship

We desire to follow Jesus and to grow in our personal relationship with him, becoming more like him and following his example. We grow together, helping one another and spurring one another on to follow Jesus as we support and encourage each other.

Presence

We recognise our need for the dynamic presence of God – Father, Son and Holy Spirit – in our gatherings and in our personal lives. We actively pursue this through praying together, knowing the word and flowing in the Holy Spirit.

Family

We believe that the King's Centre is a church for all ages, backgrounds and ethnicities. We prioritise the development of relationships within the church family through gathering together in various ways.

Service

We seek to serve one another through involvement in teams within the church, using our God-given abilities and gifts to serve and build up one another.

Lifestyle of Worship

We are called to live a lifestyle of worship, seeking to honour and glorify Jesus and reflect him in all we do, every day. We pursue a daily personal walk with Jesus, giving time for worship, prayer and the word of God.

Humility

We seek to follow Jesus' example in humility, putting one another first and seeking the glory of Jesus above our own position.

Compassion

We desire to act with love and compassion towards one another and those around us, living out the fruit of the Spirit in our words and deeds.

Authenticity

We seek to be authentic in our relationships with one another and with Jesus, creating safe spaces where we can be unashamed to be open, honest and real about our lives and our personal relationship with Jesus.

Integrity

We seek to live with integrity, being trustworthy, loyal, honest and reliable, so that our words, actions and lifestyle consistently reflect our love for Jesus and our uncompromising belief in the truth of his word.

Generosity

We choose to respond to the blessing of God in our lives by being generous to others, giving our time, talents and resources to bless one another and our community.

Wholeness

We desire to help everyone to move towards physical, mental, emotional, spiritual and relational wholeness through prayer, ministry and practical support. We believe in, and pursue, the supernatural power of God in healing, breakthrough and other miracles.
